

Adult Day Services

OAKLAND
CENTRE

Here for Life

March 13, 2020

Dear Caregivers & Guests,

We want to provide you with a brief update and share with you some of the efforts the agency is taking related to Covid-19. Our Emergency Management Team has reviewed recommendations from the CDC, and Local Public Health officials.

There is much to learn about COVID-19 and how it may impact us. The virus is thought to spread mainly from person to person through close contact (within about 6 feet) via respiratory droplets produced when an infected person coughs or sneezes.

Our priority is focused on minimizing transmission and protecting our guests and staff. Due to the high risk population we serve the agency has made the decision to close Adult Day Services. We will be temporarily closing at 5:30pm on Friday March 13, 2020. We will contact you when we are able to re-open.

As information or resources become available we will update our website.

If you have any questions please call.

Sincerely,

A handwritten signature in cursive script that reads "Rachel Dedes".
